INTEGRITY

We are a family-owned business

Dedicated to installing the right system for your building

Customer satisfaction is our top priority

QUALITY

Trained professional sprayer for SPF

Experienced crews

Meet or exceed national safety standards

“

WHAT OUR CUSTOMERS SAY

"Working with IRC was a privilege. Their knowledge, dedication, and the sheer fact that they were willing to work around the clock for me and for the community of Henryville to get the job done and ensure that the children got back to school on time the following year was a great advantage."

-Site Superintendent, Belfor Property Restoration, KY

"My experience was very positive as their workmanship and sales representative were very professional and easy to work with."

-Project Manager, South Carolina

"Their sales rep was always there, answered his phone, or returned phone calls. He was very responsive. Everyone that worked on the project from IRC was awesome to work with."

-Business Owner, Indiana

"They have proven to me that they are more than just a quality roofing contractor."

-VP, Construction & Facilities, California
